KidzShack is a proudly Australian-owned, family-run business that has been inspiring outdoor play since 2014.

KidzShack is a proudly Australian-owned, family-run business that has been inspiring outdoor play since 2014.Founded by Emma, a dedicated mum of two, KidzShack was born from a simple but powerful idea: to make fun, affordable, and high-quality outdoor play equipment accessible to more families. While pregnant with her second child, Emma searched for a cubby house for her toddler, only to find overpriced products that could only be viewed online. That frustration led to the creation of a local, family-friendly brand that puts families first.
