"I've travelled and play tennis in many public facilities in the world and by far your tennis facility beats them all. Alex at the front desk was very friendly and respectful. The challenge courts were amazing and made it very easy for visitors like me to meet new players. The tennis club members were more than helpful and invited me to play with them outside the challenge courts. I have made several new tennis friends in San Diego. I will be back next year and will tell all my fellow Canadians how wonderful Balboa Tennis Club members and staff treated me. Awesome facility!" (Herman S.)
