## OUR STORY

Richard Leahy is the Legal Practitioner Director of Cochrane Leahy Litigation. Richard was a partner in an award winning, national firm, practising in commercial and insurance litigation. Identifying a gap in the Queensland legal market, he has now created his own boutique commercial litigation firm, with an emphasis on expert but commercially pragmatic service for businesses and individuals.

## OUR FOUR POINT COMMITMENT

Experience the difference of **OUR FOUR POINT COMMITMENT**:

- **ACCOUNTABILITY** - the person you instruct is the person who does your work
- **COMMUNICATION** - clear, regular and timely
- **SIMPLIFICATION** - of how we charge and through concise, practical advice
- **VALUE FOR MONEY** - genuine pricing, and a constant focus on cost/benefit

Think about this four point commitment and compare it with your past experiences with other law firms. If they don't match up, then consider calling Richard for a fuller explanation of how the four point commitment can work for you.
