Kidzshack is a WA Owned Family Business which has been operating for over 6 years. Safety is our #1 priority, all Kidzshack Cubby Houses, Climbing Forts, Swing Sets and Wooden Toys, are made to the Australian Standard AS/NZS ISO 8124-1,2,3 & 6. We have a large range of cubby houses both ground and elevated in a range of sizes to suit any age and backyard space. All Cubbies arrive flat packed, have premade panels which take no longer than 2.5 hours with 2 people to assemble. There is nothing more important than outdoor play equipment for our children, and a Cubby House can encourage a child's imagination with pretend play. Creating an outdoor space for your child to explore, play, and create memories that will last a life time.
