ABOUT US

Master Cement Rendering

Our mission is to be recognised as a professional, skilled and dedicated company, which will deliver nothing but the best.

Master Cement Rendering is a specialised cement rendering company that strives to offer the construction industry a range of quality rendering finishes including: Solid Plastering, Coloured Texture, Acrylic render, Polystyrene, White set and all types of finish and Moulding.

Tony Daher completed his apprenticeship in NSW with a reputable rendering company, which recognised the importance of quality as well as the importance in risk management and quality assurance (OH&S); all qualities that encouraged Tony to take on the same values and ethics in his work.
