### About Us

## Master Cement Rendering

OUR MISSION IS TO BE RECOGNISED AS A PROFESSIONAL, SKILLED AND DEDICATED COMPANY, WHICH WILL DELIVER NOTHING BUT THE BEST.

Master Cement Rendering is a specialised cement rendering company that strives to offer the construction industry a range of quality rendering finishes including: Solid Plastering, Coloured Texture, Acrylic render, Polystyrene, White set and all types of finish and Moulding.

Tony Daher completed his apprenticeship in NSW with a reputable rendering company, which recognised the importance of quality as well as the importance in risk management and quality assurance (OH&S); all qualities that encouraged Tony to take on the same values and ethics in his work.

20+ Years of  
Experience

Melbourne Wide  
Coverage

Professional and  
Dedicated

All Types of  
Renderings

With our commitment, reputation and quality in the application of cement rendering, Master Cement Rendering is offering its services to you, to work together with your company on its building projects.

We know our stuff, we go out and get the job done, and our clients are always happy. We only recruit people of the highest calibre and experience, encouraging the up-skilling and development of all of our employees.

We are committed to only using the best. We have passion for all projects, no matter how large or small, nothing is beyond us. We always ensure that all deadlines are met and that our clients are 100% satisfied. Our quality control is imperative; our work is always double checked and signed off as completed.

All Master Cement Rendering works are checked to make sure that they conform to strict building codes. As well as regular communication with our clients to ensure that they are satisfied with our work and our progress to date.
