## Air Conditioning Kyabram

Our objective is to provide superior value to our clients and be the market leader in refrigeration services.

From the initial project design stage, through to sales and installation and the all-important repairs and maintenance, our long-standing business (est. 1998) has all bases covered.

Underpinned by a commitment to the customer, there has been diversification into commercial, domestic and industrial refrigeration, from its origins as an agricultural-based business.

Dairy Refrigeration Specialists, our service area encompasses districts within a 150 km radius of Kyabram reaching as far as Kerang, Koondrook, Marhoura, Finley, Tocumwal and Berrigan.

## What our Client's Say

We handle a full range of repairing and maintenance of air conditioning systems and use of professional equipment and best materials in lower price so our clients satisfied.

**Leonilde Williams** ★★★★★

Great service thanks

**gra** ★★★★★

Great Service. Quick response and fast resolution of my problem

**Sheree Myers** ★★★★★

Positive: Professionalism, Punctuality, Quality, Responsiveness, Value I called Angelo and Mary whilst I was at a horse show in Yaturo (desperate and hot!). Mary organised for one of their techs to arrive first up in the morning, Bobby (tech) was amazing and for the rest of the show I was super cool! Thank You Team!! Highly recommend!

**Frank York** ★★★★★

The regions most experienced and professional supplier to the farming industry. Be it coolers for dairy farmers or hay for stock trainers, these guys will look after you. And dont forget to ask about their farm composting business! It too is revolutionary!

**John La Porte** ★★★★

Positive: Professionalism, Quality, Responsiveness, Value Supply and installation of split system air conditioner. Great advice, install. From start to finish very professional and we are extremely happy with the work carried out.

**ZF Racing** ★★★★★

Had a multi head split system installed, was super happy with the installation and the professional manner that came with the service. Will be recommending Ky Refrigeration! 6+++

**ECAU Sport Sales Team** ★★★★★

100% one of the best refrigeration companies, with professional and kind staff. I would recommend them any day.
