Crafted locally. Designed to last.

ABOUT US

Custom Banquette & Booth Seating Crafted in Melbourne

At Melbourne Banquette Booth, we specialise in crafting custom-made booth and banquette seating for restaurants, cafés, offices, and homes across Melbourne and beyond.

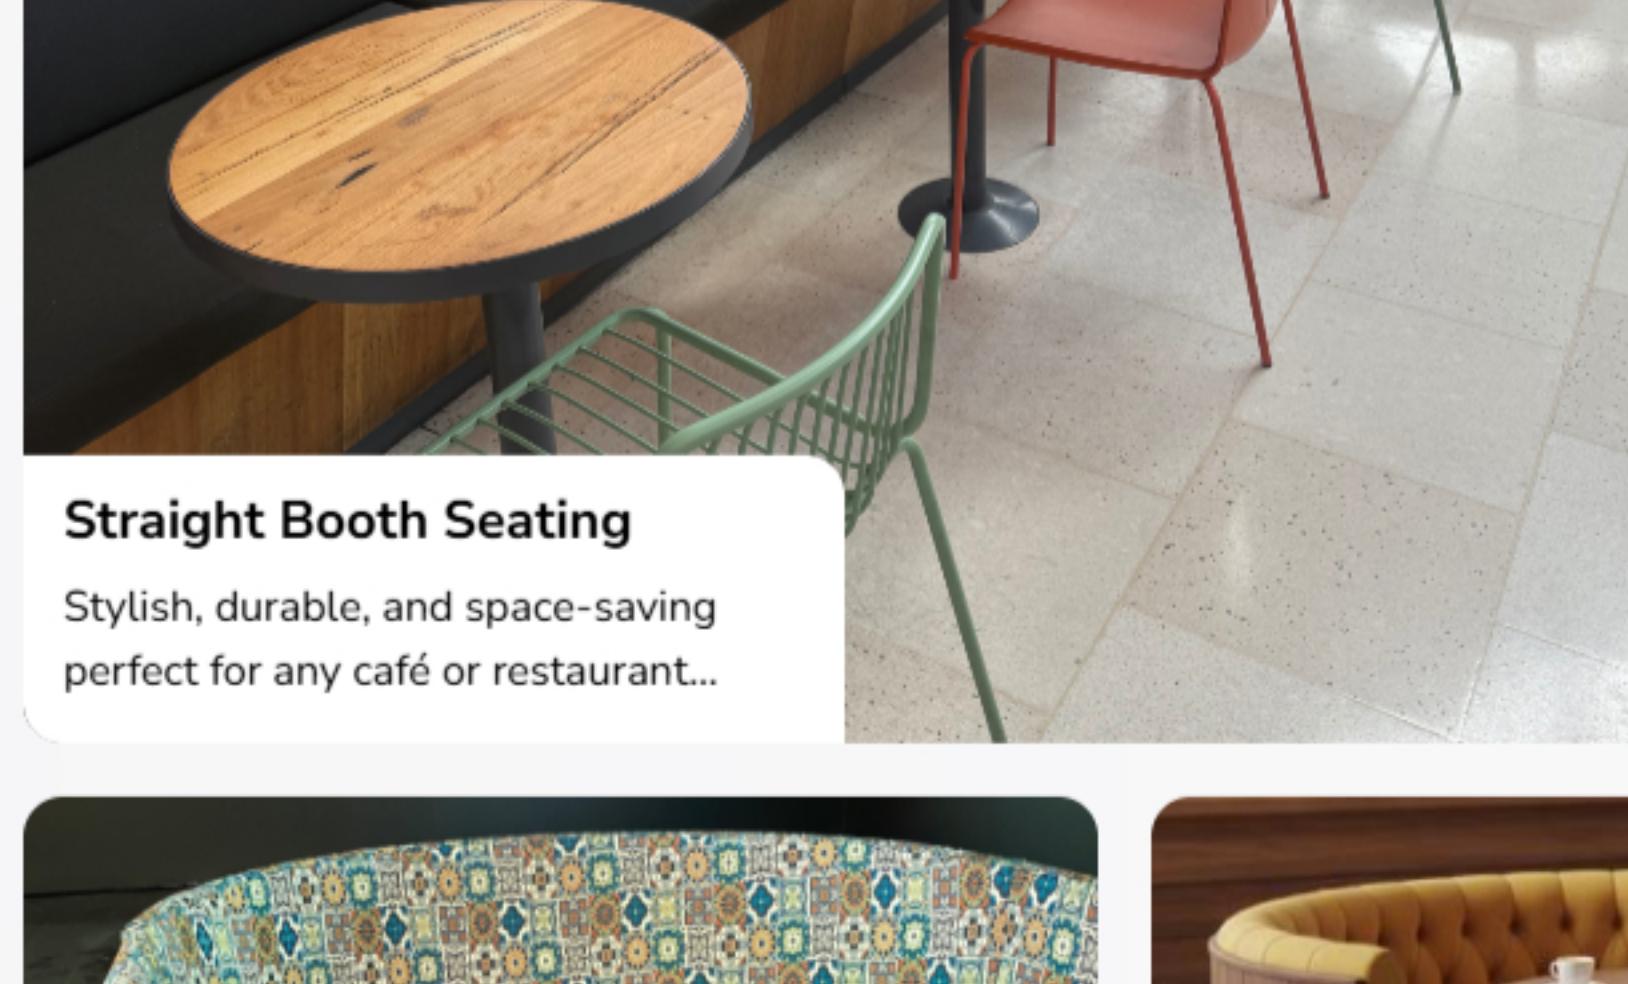

With over 20 years of experience in upholstery, furniture manufacturing, and design, our team takes pride in delivering seating solutions that combine comfort, quality, and timeless craftsmanship.

Every piece is locally made in Melbourne, using premium materials and meticulous attention to detail. Whether you're fitting out a new restaurant or refreshing a home dining nook, we ensure every booth is built to last — beautifully blending form, function, and style.

WHY CHOOSE US

Proven Track Record That Makes Us Your Best Choice

Expert Guidance

Our team offers personalised advice to help you choose the perfect booth seating style, layout, and finish for your space.

Premium Quality

Crafted with durable materials and fine workmanship, our booths are built to handle everyday use while maintaining a polished look.

Trusted Reputation

Proudly serving Australian businesses with reliable service, on-time delivery, and long-lasting results you can count on.

Tailored Solutions

We design and build booth seating to suit your specific space, style, and functional needs — ensuring a perfect fit every time.

Ready to elevate your space with custom booth seating?

Our friendly team will help you design, build, and install seating that fits perfectly and lasts beautifully.

TESTIMONIALS

What our customers say

99

"Melbourne Banquette Booth exceeded our expectations with their custom designed chain banquette seating. The quality, comfort, and finish perfectly complement our venue, and the entire process was handled with professionalism."

Pam M.

99

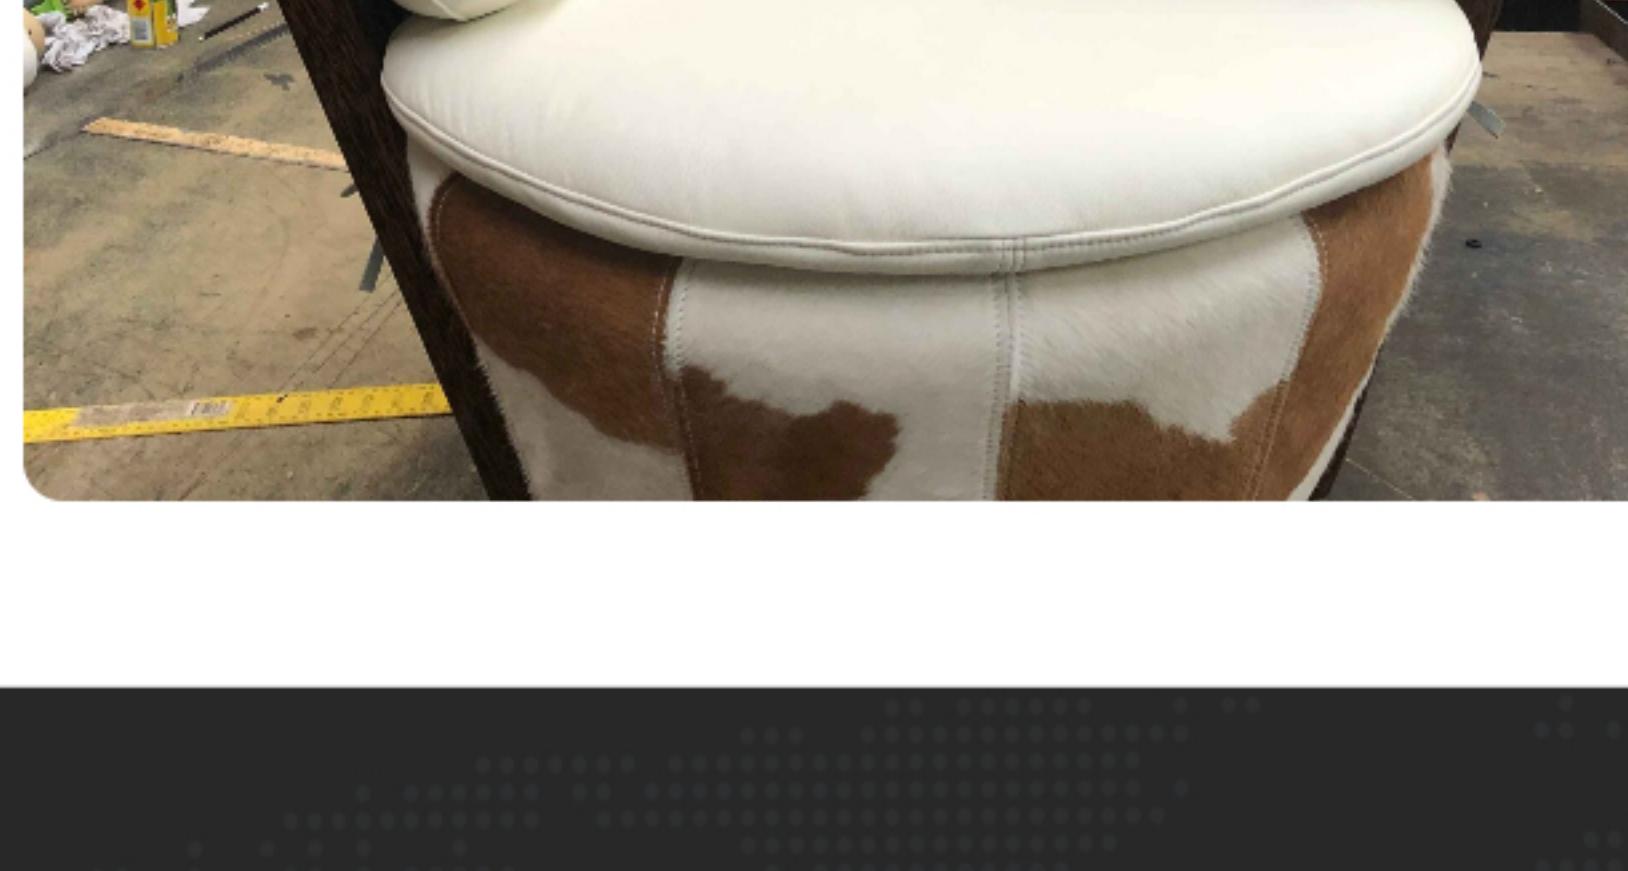

"Kirk has been absolutely amazing with all of our seating work. We've been connected with him for a long time, and he continues to deliver outstanding results every time."

Mark W.

99

"We were looking for someone who could customise all the seating for our shop, and meeting Kirk was the perfect solution. He was extremely flexible with colours, design, and every unique requirement we had."

Symond L.
