WHO IS UPTONS

Proudly owned by, The Upton Group Australia, our Bunker and Uptons stores are family owned and operated business; supplying building materials to builders, handymen and home renovators.

Dating back to 1982 the first Uptons store was opened in Hobart, followed by the first Bunker store located in Queensland on the Sunshine Coast. DECKING PRODUCTS

Hardwood Decking

Bring your outdoor area to life with a durable, stylish hardwood deck. With a wide range of species each with distinctive grains, colours and characters, our [hardwood decking](#) range have a product to suit any style and budget.

Composite Decking

Composite decking is a non-wood decking solution, created from a mixture of wood fiber and plastic. The combination of these ingredients forms a material that is denser, stronger, and heavier than wood alone. Composite decking is durable and won't splinter making it child friendly and ideal for use around spas, pools or near a marine environment, as it is unaffected by salt water.
