## Insurance builder and restoration experts

When it comes to property repairs, you need someone who cares, not just another builder. Construction and restoration delays shouldn't be accepted as normal when you're facing a damaged or incomplete property.

Let's get them fixed without delays.

At RECONSTRUCT™ we're committed to delivering service excellence. We believe that a property is more than just a property, it's a home. Our team is dedicated to tackling the tough jobs others shy away from and making the simple ones look effortless.

## What we do

We're with you from the start to the end of an insurance claim to provide a complete turnkey solution for any repairs. With a core focus on quality and customer care, our team is here to efficiently solve any issues with insurance repairs and building restoration.

## Areas we service

All our services are available in the following locations

VIC | NSW | QLD | TAS

## Why RECONSTRUCT™

Timely. Efficient. Easy to work with. Our team goes above and beyond to get the job done and give you peace of mind. Here's why we're different from other insurance builders.

### 100% reliable

We pick up where other builders have let you down to complete your home.

### Quality workmanship

We restore your property back to its original quality or even better.

### On-time completions

Your project will be completed without delays, even in peak seasons.

### Problem-solvers

No building issues are too complex. We're here to find a workable solution that you're happy with.

### Strong communication

We're always here to keep you updated on your projects, so you're never left wondering.

### A clear roadmap

Your repairs and restorations will always head in the right direction. No U-turns and maybes.

### Tradies available

We consistently build a strong bond with our tradies, ensuring there are always people for your projects.

### Experts in insurance claims

Our deep experience in insurance claims ensures we can expertly navigate any repairs.

## What our clients say

Jess attended a job at our house where complex repair work was required. His professional attitude impressed us from the first meeting. He explained the process and scope of works and he was able to stick to the timeframe. His team achieved high quality repairs and our house looks brand new again! A big thank you to Jess and his team. I would highly recommend to anyone that requires any kind of property repairs, maintenance or more.
