Provide local property research

Over 30 years of real estate experience to ensure you achieve the *top sales result for your property*

At Top Property Agents, we specialise exclusively in helping property owners to sell their property by connecting them with top real estate agents in their local area. We do not sell properties directly instead, we operate as a trusted service that simplifies the process of finding the right real estate professionals for you and your property to achieve a successful sale.

We understand that every property sale is different. Whether you're selling your family home, apartment, town house, upgrading, downsizing, or managing an investment property, our dedicated team takes the time to collect essential details about your property, goals, and preferred timeframe. We carefully review this information and match you with relevant pre-qualified top real estate agents who are best suited to achieve strong results in your market.

Why Choose Us

Delivering Top Results for Every *Property Sale, Every Time*

Contact Us

01

100% free service to you

Top Property Agents are paid by the real estate agents and only on a successful sale outcome.

02

Is my information confidential ?

Absolutely sellers protection is first and foremost, no information is given to any agents without your full approval.

03

If I enquire am I obligated to use Top Property Agents ?

There is no obligation to use our services, you can choose to follow our recommendations or not, it is your choice.

04

Do you just refer to large branded real estate companies ?

We are independent of all real estate brands so can therefore provide an unbiased recommendation and advice

05

I want to talk to a real person not just a computer ?

We DO NOT do quick fire property matches like other sites. We are a people based service. We prefer to call our vendors by phone but if you are not comfortable with this, we can chat over email instead.
