## OUR SERVICES

### Blonde and Balayage

Balayage is all about the use of colour. It has softer, less obvious regrowth lines than typical highlights, reflecting the portions of your hair that naturally brighten in the sun.

### Colour Corrections

We offer a range of hair colours, including any shade you choose. We offer everything at Nathaneal V Hair in Sydney, from fundamental regrowth to foiling, Balayage, and Ombre.

### Nanoplasty

Our Signature Smoothing treatment, known as nanoplastia, uses nanotechnology (Nano meaning tiny particle size molecules) to de-frizz the hair to create a smooth, glossy finish.
