Our Heathcote Creek Shiraz

Award-Winning Melbourne Wine Supplier

First planted in 2004 by the Conte Bros and sons, our Heathcote Creek Shiraz has grown into a true showcase of our expertise as wine suppliers in Melbourne. With the first vintage released in 2007, the quality of each year's wine continues to improve, reflecting our dedication as a trusted wine wholesaler and importer.

Sourced directly from our property in Heathcote, our Shiraz grapes are handpicked every year, ensuring careful selection, optimal ripeness, and the highest quality fruit for every vintage. This hands-on approach allows us to maintain consistency and preserve the distinct character of the region.

We are proud to have earned recognition from the Decanter World Wine Awards: a Silver medal and 93 points for the 2019 vintage, and a Bronze medal with 89 points for the 2022 vintage—an outstanding achievement for our small-batch vineyard.
