About Us

Award-Winning Construction. Personal Service.

Rossbrook Construction Pty Ltd was established on 1 August 2016 and is founded on strong core values of transparency, honesty, hard work, and an uncompromising commitment to quality.

We are a close-knit, highly skilled construction company, supported by a dedicated internal team and a trusted network of exceptional tradespeople. Rather than engaging multiple contractors within the same trade, we work exclusively with a carefully selected group of highly skilled trades we have partnered with for over a decade. This approach ensures consistency, accountability, and the highest standard of workmanship on every project.

Our trades are among the very best in Western Australia and play a vital role in delivering the quality outcomes Rossbrook Construction is known for.

We work collaboratively with our clients to achieve the best possible result on

What They Say?

Fraser

Fantastic builder with the highest level of professionalism. Highly recommended

Ronnie Baldwin

A Rossbrook Construction have just completed the conversion of our carport to garage. Tom Quaid and his great team have taken the job from start to finish, plans, council approval, matched bricks & cleaned up after themselves

Jos Penhale

You have all been an absolute pleasure to deal with. The professionalism, knowledge & efficiency has been next level. I honestly couldn't be any happier with the process & outcome.

We build your dream with efficiency and excellence

Who are you getting when you employ Rossbrook Construction?

I am a hands-on builder that will not employ supervisors (you deal with me the builder)
My trades people are some of the best in Perth and we have MBA Awards to validate us. I won't take on more...
